

Flower Mound Hindu Temple Monthly Archana Program

Flower Mound Hindu Temple is happy to inform you that it just has completed 500 days of its establishment. Thanks to all your continued support and personal commitments, FMHT has grown tremendously in a short period of time. This is only the beginning and we are optimistic that we will expand to a new location in Flower Mound with the funds collected from founding / lifetime memberships and through creative fund raising programs that will be ear-marked for future expansion.

In order to continue to deliver daily programs and excellent services, we need to improve our operating income. FMHT is seeking your support by asking you to join the **Monthly Archana program**.

A monthly donation of \$31.00 per family will include one Archana ticket per month for your family and chanting of your family members names during the auspicious Chaturthi day of each month. Payments can be made in cash or by check/credit card at the temple location. A receipt will be issued for each donation. Please contact any of the volunteers at the temple to enroll in this program.
